

Become a member of the Chopin Foundation of the United States!

When you join the Chopin Foundation of the United States, you join a special group of music lovers dedicated to the career advancement of gifted young American artists through performance opportunity and financial support.

Members of the Chopin Foundation participate in career-building events including concerts, scholarships, lectures and master classes, and in helping organize the National Chopin Piano Competition of the United States, designed exclusively to support talented young U.S. pianists.

Winners of the National Chopin Competition are sent to the prestigious International Chopin Piano Competition in Warsaw, Poland, where many outstanding international careers have been launched.

Our challenging mission can only succeed when music patrons contribute to the cause. Please support us by joining today!

We look forward to greeting you as member.

Note: Our fiscal year is July 1 through June 30.
